CONDITIONS FOR ONLINE LEARNING

A GUIDE FOR STUDENTS AND FAMILIES

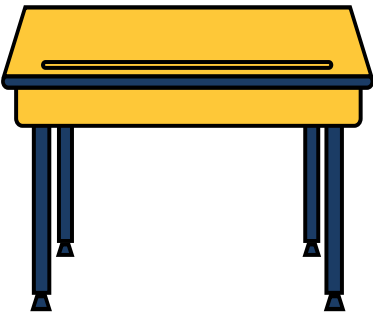

UNIFORM

Show that you are prepared for learning by wearing a uniform top for video conferencing. This can be either your college polo, jacket, PE uniform top or jumper.

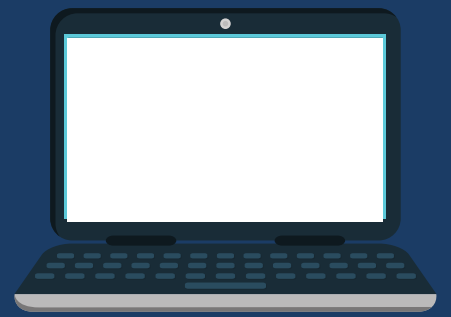

HOME CLASSROOM

Please ensure you have a suitable space for online learning that is open, communal and conducive to learning. Avoid bedroom spaces where possible. Ensure that you protect your privacy from others by using a plain background for video conferencing.

RESPONSIBLE ONLINE BEHAVIOURS

You are considered to be at school, so please follow our college guidelines and classroom agreements for responsible behaviour. Be respectful of your teacher and the learning of your classmates. Ensure your microphone is muted during teacher instruction.

FAMILY COMMUNICATION

We will be communicating with your family throughout the online learning period. Non-attendance to class, lateness to video conferencing and non-submission of learning evidence will be followed up in the usual manner.
