Welcome back!

A new year has become with great excitement at Plympton International College. Enrolments have increased to just over 500! We have 140 new faces across reception to year 12, with many students joining us from the local area and from afar. We also warmly welcome 12 new staff members.

We continue our focus on HIGH EXPECTATIONS, HIGH SUPPORT and HIGH ACHIEVEMENT, as a Centre of Excellence. We believe it takes 'village to raise a child' and strong partnerships between home and school are vital for success. Your child's teacher will be contacting you, if they haven't already, to introduce themselves and to provide you with any information you require. Our Acquaintance Night is planned for Tuesday 12th February and the program is as follows:

5.30 pm for Reception to Year 6 families.

Leadership address in the Learning Street followed by meet and greet in classrooms

6.00 pm for Year 7 to Year 12 families

Leadership address in the Resource Centre followed by meet and greet middle school homegroup teaches and SACE information for year 11 -12 families in the new STEM area.

This will be followed by the Governing Council AGM at 7.00 pm in the Resource Centre and all parents are welcome to attend. If you are interested in joining the 2019 Governing Council or a sub committee please obtain a nomination form from the college office.

You will also find attached our Term 1 calendar so that you can keep track of the many events and learning opportunities. Our special STEM Launch is schedule for Wednesday March 6th and we hope you can see our wonderful new learning spaces in action. More information to come.

I look forward to working with you to bring about many successes for every student at Plympton International College.

Parent information 2019

All students are required to wear either leather or synthetic leather covered shoes with no labels or symbols displayed. No canvas shoes due to WHS reasons.

Students in year 7-12 are required to have their own electronic device (laptop) daily and it is their responsibility to have it charged and ready for class. More information is available on our website if needed.

Our uniform shop now stocks school bags, we highly encourage the students from year 7-12 to purchase these as they provide excellent support for back and are very study and hard wearing.

Congratulations

Congratulations to 2018 year 12s on their results and well done to:

Ferdy Rahmadhan with a score of 87.9 (before bonus points)

Peter Nangle with a score of 84.0 (before bonus points)

Alejandro Hernandez Sanchez with a score of 83.3 (before bonus points)

Congratulation to Heidi McCool on the arrival of her little girl, Isla Jane McCool. We are very happy for their family.
