Government of South Australia
Department for Education and
Child Development

Welcome to Term 2! I hope all the students feel refreshed and ready for a productive term. During the holidays, the STEM building works continued in both the primary and secondary areas and refurbishment commenced in the junior primary learning street. The new lawn in the playground looks fabulous.

An innovative learning opportunity was provided at Plympton

International College last week, with a full day Barista course for senior secondary students. Fifteen students attended and passed the assessments; receiving 10 points towards their full South Australian Certificate of Education (SACE).

External Review

As part of our continuous school improvement, we will be involved in an external school review with a review panel. The purpose of the external review is to support schools to raise achievements, sustain high performance and provide quality assurances to build public confidence in government schools.

All government schools will be externally reviewed every four years.

The focus of the review is to evaluate school performance. The review panel consist of a review officer and a trained review principal. The review will occur on Monday 25th to Wednesday 27th of June. We will find out the aspects of the school's improvement that have been verified through the review processes as well as the improvements that we need to make in the future.

During the external school review, some students, parents, governing council members and staff will be asked to provide information to the review panel in a number of ways. These include: individual interviews, group discussions (with students or staff or parents), meetings (usually governing council, staff meeting) and visits into classrooms.

We appreciate your support and time in helping us with this external school review process. If you do not wish your child to participate please complete the tear off slip on the back of this newsletter and return to the college office.

If you would like more information please email Larissa.Kalms840@schools.sa.edu.au.

National Assessment Program Literacy and Numeracy (NAPLAN)

In week 3 of this term, year 3, 5, 7 and 9 students will be sitting the NAPLAN tests. This is one of the assessments that teachers use to map students progress and direct additional support where needed.

If you have a child sitting these tests please reassure them that we are proud of their efforts at all times. If however, you wish to withdraw your child please contact a member of the leadership team as soon as possible.

This will be the last of the paper tests as from 2019 all NAPLAN tests across the state will be complete on-line.
